

THE SITE - GREENLANDS FARM

The location of the proposed Greenlands Sports Village is the former Greenlands Farm site located off Ribby Road, Wrea Green. Greenlands Farm extends to approximately 10.9 hectares and is indicated edged red on the images below.

The site is not designated green belt land but lies within open countryside to the East of Wrea Green. The proposed development for sport and recreation facilities is a good fit with the saved policies of the adopted Fylde Local Plan and the planning authority have agreed that such policies of the development are relevant to the consideration of any planning application for this type of development.

view 1

As part of the consultation and scheme development process, a series of site and planning considerations will be explored which include:

- Access and highways
- Environmental screening
- Ecological surveys
