The 2016-17 season marked the beginning of a new era at AFC Fylde, when we moved into our new ground at Mill Farm, our very own 'Theatre of Dreams'. It was another massive step on the journey we are on and one we want you to be a part of.

PAST

Founded in 1988 with the amalgamation of Kirkham and Wesham. In 2008, to embrace the greater football community, the club changed its name to become AFC Fylde. This was made in order to further the club's ambition to embrace the wider community and ultimately become an established member of 'The Football League' by 2022. Our sporting family is ever growing. In 2016, we developed our brand by establishing a Ladies Team and Fylde Hockey Club was welcomed. We also opened our state-of-the-art £6 million Sports and Education Centre, complete with seven 3G football pitches and a full-sized hockey pitch. This houses the award-winning AFC Fylde Community Foundation and our new Academy, which has over one hundred students in further education.

PRESENT

Our second season in the fifth tier of English Football continues to bring us unprecedented success with Dave Challinor's side going to Wembley Stadium twice in the space of a week - a feat no other side in the history of the game has ever achieved.

On May 11th, we played Salford City in the 'Play-Off Final,' unfortunately losing 3-0 on the day. We returned a week later, to play Leyton Orient in front of over 4,000 AFC Fylde fans at Wembley in the FA Trophy Final (the FA Cup of non-league football) and made amends for the previous week's loss by beating Orient 1-0 thanks to a superb free-kick from our talisman, Danny 'The Hitman' Rowe. We made history on that day, becoming the first club ever to have won both the FA Vase and FA Trophy. The non-league 'double'.

FUTURE

We are continuing to develop and improve facilities at Mill Farm and in May 2019, "The Hotel at Mill Farm" was opened with 18 executive bedrooms. Our new 'Sky Business Club' based in the hotel now offers businesses the chance to network before, during and after the match and will provide unparalleled views of the game.

As ever, exciting things are happening so why not be a part of it by taking up one or more of the options on the following pages.
